

Location: Bratislava  
Contract Value: 5.07 mil. EUR  
Completion: 10/1998

#### Awards:

The Construction of the year 1999 - The Association of Construction Entrepreneurs of Slovakia Award for exceptional quality of the development using non-traditional technology

The Authorization centre is a project that was developed from an unfinished and unused building. It was regarded as the best secured building in Slovak republic at the time of its completion. The project complies with the highest international standards on the field of financial transactions.

It was a design and build project, where complex project documentation, all required legal permissions and construction was delivered by Hornex.
