

Location: Modra
Contract Value: 2.36 mil. EUR
Completion: 08/2005

A production plant of the Austrian producer of trailers is located on the outskirts of Modra.

Pongratz moved to the new premises of 3 000sq.m of floor area in extremely short time. It took only nine months from purchase of the plot to a completion of the development.

It was a design and build project, where complex project documentation, all required legal permissions and construction was delivered by Hornex.
