

Location: Senec
Contract Value: 1.8 mil. EUR
Completion: 05/2008

Jungheinrich is a leading company on the field of manufacturing and servicing logistic and operating machinery. Their new sale and service centre and headquarters are located in the logistic and industrial estate near main motorway in Senec.

A steel and concrete warehouse and a two-storey office building have quality office, sale and service spaces and are designed to allow future expansion of the company.
