

# KON-RAD Distribution Facility

**HORNEX**

Location: Bratislava  
Contract Value: 4.79 mil. EUR  
Completion: 03/2012

Our company has built a more than 10 000 sq.m logistics and sales facility for KON-RAD company. Storage buildings are made of precast concrete elements and are connected to shopping building.

The project also includes a substantial amount of infrastructure including roads, car parks and landscaping.

The whole projects has been built in several phases, all within the existing company environment.
