Awards:

The Construction of the year 2003 - A nomination for the best Project Award, The Building of the year 2003 - A Slovak University of Technology, Faculty of Civil Engineering Award for application of science principles in refurbishment

The Palugyay Mansion is a listed building that has great historical, cultural and architectural importance.

It was a very complex adaptation that also included renovation of the underground spaces and throughout furnishing of all areas. The project was completed in very short time and high quality to fulfil demanding requirements of the Ministry of Foreign office. The buildings are fitted with the most modern equipment while all the historical aspects are fully preserved.
