

Location: Banská Bystrica  
Contract Value: -  
Completion: 05/2014

Our company is currently building a new multi-storey car park in Banska Bystrica. It is located in the central part of the town and together with the nearby town hall will help to shape up this important part of the town.

This mixed used development is in compliance with the Banska Bystrica Development Plan and except of parking will offer office spaces, retail units and restaurant.
